

Rinnai

SEN SERIES
ELECTRIC INSTANT WATER HEATER

ARTFUL LINES OF NATURE

Rinnai

Nature-inspired artistry.
Advanced shower technology.

Imagine the ocean waves gently lapping on the shore, curling and washing over the sand and pebbles, leaving traces of parallel lines along the sandy canvas. It is always a mesmerising sight and a source of inspiration and relaxation.

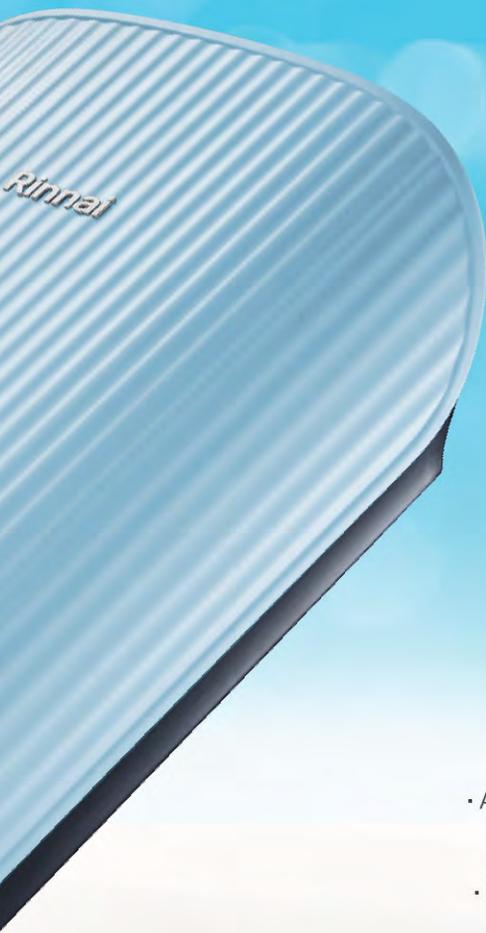

Matte, smooth lines

Aptly named Sen, which means 'line' in Japanese, Rinnai Sen series is inspired by the beautiful lines on sandy beaches. The sleek, parallel lines are aesthetically pleasing and calming to behold, making shower a great retreat from the bustling world for the mind and body.

Simple temperature control

Rinnai Sen series not only exudes the beauty of minimalist design, it also offers ease of control. With a turn of the knob, you can regulate the water temperature from relaxing lukewarm to invigorating hot in seconds.

Silent operation

DC Inverter Pump delivers powerful water pressure yet remarkably silent, enabling you to immerse in a soothing, quiet bath at the same time.

DC Inverter Pump

- Silent operation
- Save up to 50% energy compared to AC Pump
- Cost effective and eco-friendly
- Advanced brushless DC motor technology
- Maintenance-free, no carbon brush
- Pump speed control, suitable for high and low water pressure
- Longer lifespan
- 5-year warranty

High-power hot shower

With 3.8kW heating capacity that shortens heating time, Rinnai Sen Series provides hot water faster to give you instantly relaxing hot shower, especially on a cold day.

State-of-the-art features

Rinnai Sen series is designed with simplicity in aesthetics but built with a host of trusted Japanese technologies, ensuring top-notch durability and safety.

1-Knob Control
Easy temperature control with a turn.

Earth Leakage Circuit Breaker (ELCB)
Cuts off electricity supply in the event of current leakage.

Lightning & Surge Protection
Built-in surge protector protects from lightning strikes and current leakage.

Dual Over Temperature Safety Cut-Off
Avoids overheating and scalding with auto-reset if water temperature exceeds set limit.
(Primary cut-off: 55°C; Secondary cut-off: 90°C)

IP25 Splash-Proof Protection
ABS plastic waterproof casing is in compliant with IP25 Safety Standard to prevent water and dust.

Auto Flow Sensor Switch
Shuts off heater automatically to avoid dry burn when water flow is too low.

Extra Large (8 inches)
Rainshower Head
Rainshower set sold separately.

Splendid Splash

Living up to Japanese culture of incredible attention to detail, Rinnai Sen series comes with meticulously designed shower heads to let you shower just the way you like.

3-Multi Spray Handshower

Comes with a choice of 3 classic spray nozzles

Aqua Turquoise (TQ), Sky Blue (BL), Sandy Beach (BG)
